CAREER OBJECTIVE

To achieve excellence as a software engineer through continuous skill improvement, innovative problem-solving, and a strong commitment to high-quality code and user-friendly interfaces while fostering a collaborative and learning-oriented mindset.

SKILLS

Expertise: React Js, Tailwind CSS, JavaScript, C++, HTML, CSS

Comfortable: OOP, MySQL, Express.js, JWT, TanStack Query

Familiar: DSA, MongoDB, Node.js, TypeScript, Redux Toolkit, NextJs

Tools: VS Code, Git, Postman, Firebase, Netlify, Vercel, Figma

PROJECTS

Multilingual Mastery

[Live Link](#) || [Client Side](#) || [Server Side](#)

This full-stack language learning platform enables course enrollment, class uploads by instructors, and admin control over class approval and user roles.

- Admin manages users, classes. Instructor post classes. Students can enroll.
- Toggling the theme (Dark/Light) and verifying user using JWT.
- Stripe payment integration

Technology: React, TanStack Query, Axios, Swiper Js, Express, MongoDB, Stripe, JWT etc.

ToyCars World

[Live Link](#) || [Client Side](#) || [Server Side](#)

This is a full-stack project for an online toy car shop. Users can add their own toy cars for sale and view a list of their listed toys, along with detailed information about each toy.

- User can register and login
- Logged in user can read, update or delete toys
- Used Firebase Auth for authenticating user

Technology: React, React Hook Form, Tailwind CSS, Express, MongoDB, Firebase etc.

American Cuisine

[Live Link](#) || [Client Side](#) || [Server Side](#)

This is a MERN website featuring various chefs who showcase their own recipes. Valid users can view and like their favourite recipes.

- Authenticated users can see detailed recipes of any chef
- Download the blog page by clicking the Generate pdf Button
- Email/Password, Google and GitHub login are integrated

Technology: React, React Router, React Lazy Load, React To PDF, Firebase, Express etc.

ACADEMIC QUALIFICATION

Degree	Major	Institute	Result	Passing Year
Bachelor of Science	Computer Science and Engineering	Rajshahi University of Engineering & Technology (RUET)	CGPA - 3.67/4.00 First Class 10th	2023
HSC	Science	Birshreshtha Noor Mohammad Public College	GPA - 5.00/5.00	2017
SSC	Science	Birshreshtha Noor Mohammad Public College	GPA - 5.00/5.00	2015

RESEARCH

Thesis: "An effective subspace detection of high dimensional remote sensing images"

PROGRAMMING EXPERIENCE

- [Leetcode](#)
- [Codeforces](#)

PROFESSIONAL TRAINING

Complete Web Development Course (Programming Hero)

LANGUAGE

- English
- Bengali
